BCBS Insurance Information Form

BCBS has gotten increasing more complicated in the variety of plans it offers, some have very low deductibles and some have very high deductibles and copays even if you are in network. Sometimes deductibles can be as high as \$3000 if you have a Saver's Plan even though I am in network and you have BCBS. In order to avoid any surprises and a huge bill, I ask that you gather the following information. Please bring your insurance card to our first visit.

Please call the number on the back of your insurance card to get your information and fill in the form below:

We will not be able to start our work together before we have these details.
